ADVICE TO "SUZIE" READERS

BAD SKIN

Stop Worrying Now About Pimples, Blackheads
And Other Externally Caused Skin Troubles
JUST FOLLOW SKIN DOCTOR'S SIMPLE DIRECTIONS

Have you ever stopped to realize that the leading screen stars whom you admire, as well as the beautiful models who have lovely, soft white skin, were all born just like you with a lovely smooth skin?

The truth is that many girls and women do not give their skin a chance to show off the natural beauty that lies hidden underneath those externally caused pimples, blackheads and irritations. For almost anyone can have the natural, normal complexion which is in itself beauty. All you have to do is follow a few amazingly simple rules.

Many women shut themselves out of the thrills of life — dates, romance, popularity, social and business success — only because sheer neglect has robbed them of the good looks, poise and feminine self-assurance which could so easily be theirs. Yes, everybody looks at your face. The beautiful complexion, which is yours for the asking, is like a permanent card of admission to all the good things of life that every woman craves. And it really can be yours — take my word for it! — no matter how discouraged you may be this very minute about those externally caused skin miseries.

Medical science gives us the truth about a lovely skin. There are small specks of dust and dirt in the air all the time. When these get into the open pores in your skin, they can in time cause the pores to become larger and more susceptible to dirt particles, dust and infection. These open pores begin to form blackheads which become in-

fectured and bring you the humiliation of pimples, blackheads or other blemishes. When you neglect your skin by not giving it the necessary care, you leave yourself wide open to externally caused skin miseries. Yet proper attention with the double Viderm treatment may mean the difference between enjoying the confidence a fine skin gives you or the embarrassment of an ugly, unbeautiful skin that makes you want to hide your face.

The double Viderm treatment is a formula prescribed by a skin doctor with amazing success, and costs you only a few cents daily. This treatment consists of two jars. One contains Viderm Skin Cleanser, a jelly-like formula which penetrates and acts as an anti-septic upon your pores. After you use this special Viderm Skin Cleanser, you simply apply the Viderm Fortified Medicated Skin Cream. You rub this in, leaving an almost invisible protective covering for the surface of your skin.

This double treatment has worked wonders for so many cases of external skin troubles that it may help you, too — in fact, your money will be refunded

if it doesn't. Use it for only ten days. You have everything to gain and nothing to lose. It is a guaranteed treatment. Enjoy it. Your dream of a clear, smooth complexion may come true in ten days or less.

Use your double Viderm treatment every day until your skin is smoother and clearer. Then use it only once a week to remove stale make-up and dirt specks that infect your pores, as well as to aid in healing external irritations. Remember that when you help prevent blackheads, you also help to prevent externally caused skin miseries and pimples.

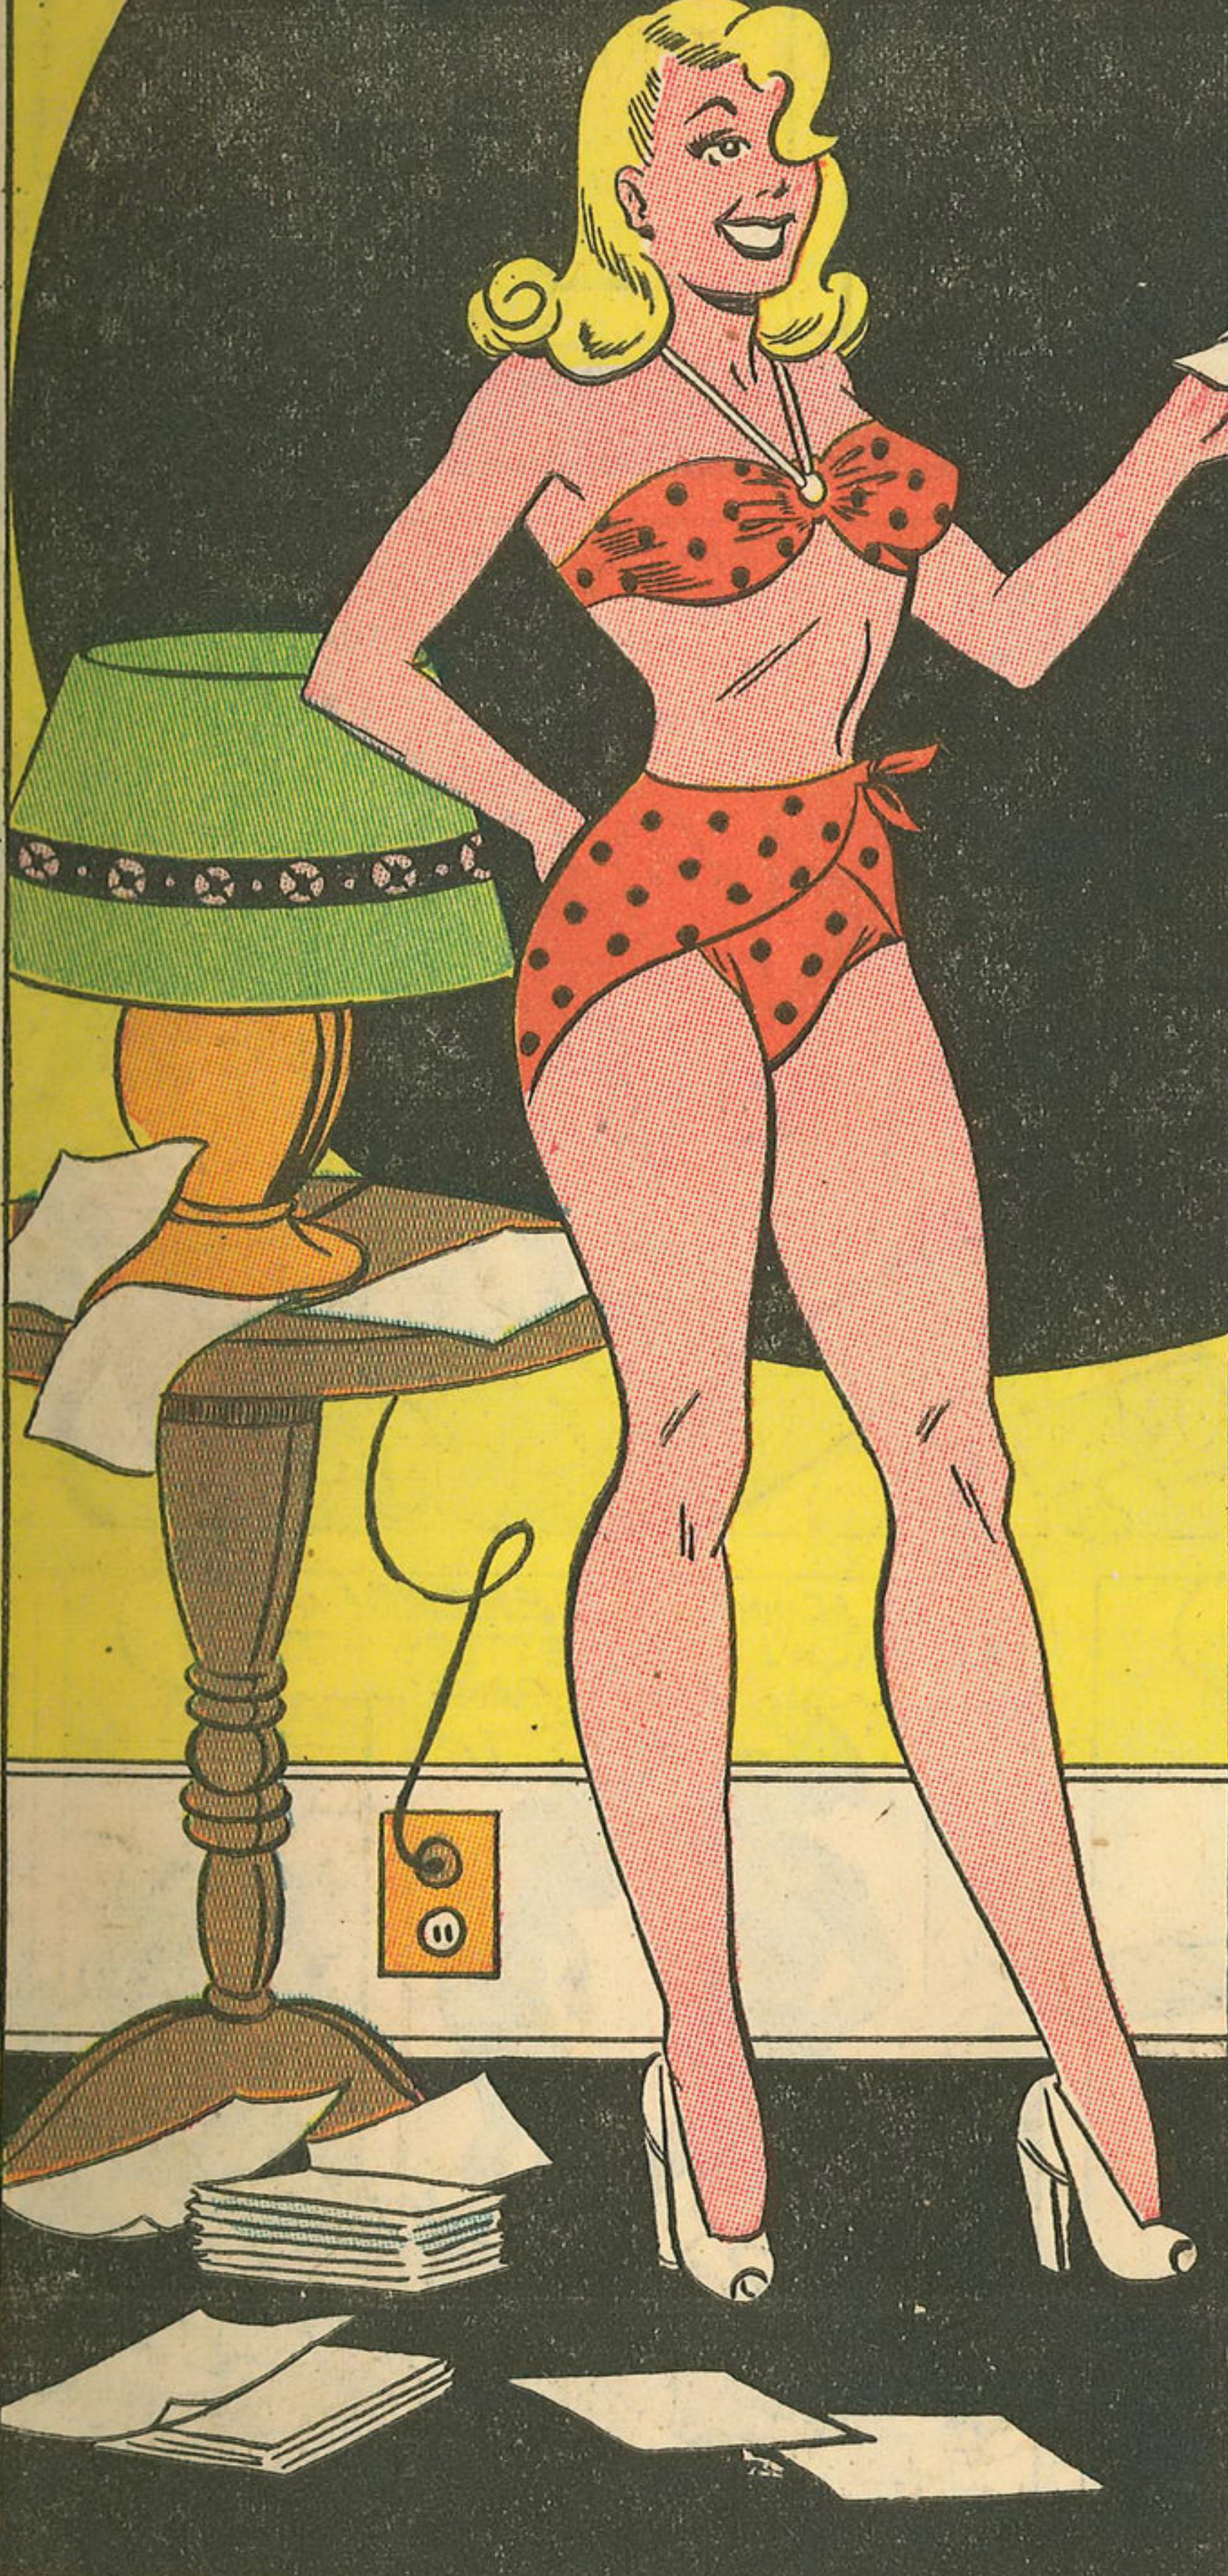

Incidentally, while your two jars and the doctor's directions are on their way to you, be sure to wash your face as often as necessary. First use warm water, then cleanse with water as cold as you can stand it, in order to freshen, stimulate and help close your pores. After you receive everything, read your directions carefully. Then go right to it and let these two fine formulas help your dreams of a beautiful skin come true.

Just mail your name and address to Betty Memphis, care of the New York Skin Laboratory, 206 Division Street, Dept. 230, New York 2, N. Y. By return mail you will receive the doctor's directions, and both jars, packed in a safety-sealed carton. On delivery, pay two dollars plus postage. If you wish, you can save the postage fee by mailing the two dollars with your letter. If you are in any way dissatisfied, your money will be cheerfully refunded. To give you an idea of how fully tested and proven the Viderm double treatment is, it may interest you to know that, up to this month, over two hundred and twelve thousand women have ordered it on my recommendation. If you could only see the thousands of happy, grateful letters that have come to me as a result, you would know the joy this simple treatment can bring. And, think of it! — the treatment must work for you, or it doesn't cost you a cent.

SUZIE'S MOVIE DIARY

Dr. George Gallup's Audience Research, Inc., poll reveals that so far this year Columbia's "The Jolson Story" leads all other films in popularity. Top stars in the mid-year tabulation of this survey which the Gallup organization conducts each year for Photoplay magazine are (listed alphabetically)—Ingrid Bergman—Selznick—Freelance; Betty Davis—Warners; Greer Garson—Metro-Goldwyn-Mayer; Rita Hayworth—Columbia; Lana Turner—Metro-Goldwyn-Mayer;— Humphrey Bogart—Warners; Gary Cooper—Freelance; Bing Crosby—Paramount; Bob Hope—Paramount; Alan Ladd—Paramount.

The following pictures, it has been announced, follow "The Jolson Story" in popularity. It's A Wonderful Life—Liberty Films—RKO Release; Margie—Twentieth Century; Blue Skies—Paramount; 13 Rue Madeleine—Twentieth Century; Till The Clouds Roll By—Metro-Goldwyn-Mayer; Notorious—RKO; Song of the South—Walt Disney Productions; The Dark Mirror—Universal International; The Killers—Universal.

"The Best Years of our Lives" and "Boomerang" do not appear in the "top ten" list at this time, but it was felt by the pollers that both pictures would rank highly at the close of the year when they have been seen by more movie-goers.

Van Johnson and Ava Gardner, two of the screen's most exciting personalities, will be teamed for the first time in M-G-M's "Wanted."

The film, which marks a distinct departure from their past roles for both players, will go

into production immediately after Johnson completes work in "Virtuous," in which he co-stars with June Allyson.

In the story, which has been adapted by Thelma Watson from an original story by Charles Martin, Johnson portrays an amnesia victim who masquerades under the name of Verne Dale. After seven years in an institution he escapes in a desperate attempt to locate a girl with whose voice he fell in love when he happened to dial the wrong number on the telephone. After finding the girl he becomes involved in a brutal killing and is absolved of a murder charge only after his memory returns in the dramatic climax to the picture.

Miss Gardner, whose portrayal of the night club singer in "The Hucksters" is winning acclaim of critics and public throughout the nation, will portray the girl. It is her most important screen assignment to date.

The film will be directed by Richard Thorpe, one of the screen's most experienced directors. George Haight, who produced "Lady in the Lake," is the producer.

It looked like Friday night at the Hollywood Legion Stadium, Hollywood's famed fight arena. But, it was the first day of Mickey Rooney's fight sequences in "Killer McCoy" at M-G-M. It was followed by nine successive days during which Mickey scarcely had time to unlace his gloves.

The similarity to the Legion was noticeable, particularly at ringside. Here the spectators were dressed glamorously. And at one side, not in the camera view, were such Legion "regulars" as Frank Sinatra, Robert Taylor, Gene

Kelly and Bob Walker—all visiting the stage to watch Rooney do his stuff.

The similarity even continued in the ring. In one corner there was Larry Cisneros, a Legion favorite and a top ranking contender for the world's lightweight title. And when Mickey Rooney crawled between the ropes, he looked like a professional fighter.

The "gallery" was packed with extras, who looked like a typical fight crowd and sounded like one, too, as they shouted down at the boxers.

Mickey is more enthusiastic about this fight role, his first completely mature part, than any he has ever played. But, while there's a new seriousness about him, he hasn't forgotten his sense of humor. When he spotted Cisneros, he turned and started out through the ropes. "Sorry, Larry," he velled, "I can't make the weight!"

As technicians were lighting the scenes, an extra shouted down from the top row of the gallery. "Hey, Mickey, where are you going to fall when Cisneros hits you?"

To which Mickey retorted, "If Cisneros hits me, I won't stop to think about that!"

Sign on a harness shop for a street scene in "Silver River" at Warners reads—"WE TAN OUR OWN HIDES ONLY"—all of which makes things much less painful for the cows. . . . Title for "most screen demises" is now believed to be held by actor Hugh Prosser, veteran of saddle sagas at Columbia. Last week, in "Six Gun Law," he was slain for the 38th time! . . . Did you know that Loretta Young was a featured player for Warner Bros. when she was 15 years old? . . . Betty Blythe, who was Theda Bara's top rival as a bewitcher of males when the cinema was silent, will return to the screen as a character actress in "Cass Timberlane." . . . Strict-

ly from the Hollywood sticks: A strange white cat, very dirty, has produced an enormous litter of little cats in Lilli Palmer's garage; Gale Robbins is harvesting a bountiful plum crop on her valley ranch; Dennis Morgan has been bitten by another gopher, his third like disaster in as many weeks; Sam Wanamaker's new lawn has been trampled under the sod by a herd of straying horses. . . . And Ann Sheridan's poodle pups (two of 'em) has completely recovered from distemper. . . . Alice White is portraying a "B-girl" in "The Time of Your Life." Her wide-eyed, virginal beauty made a star in pre-talkie days. . . . Lila Leeds, the Warner beauty, is provoking whistles at the beach in a straw hat with a wing span of 4 feet, 2 inches! Her swim suit, of course, is not so voluminous. . . . Errol Flynn has written a screen play titled, "The Jamaican Family," and in which there is no role for Flynn. The central character, he says, is a woman who is very good and very bad and very human.

★ ★ ★

Jack Carson, tamed Warner Bros. comedian, has invented a brand new game for "unrestrained kiddies." It's titled "See Bat," and consists of a peek-hole box labeled "See Bat," and a paddle. The directions are utterly simple: "Shout 'See Bat! See Bat!' as you paddle those who stoop to see what they can see." Mr. Carson said the patent is pending, and that it probably will continue to do so for a long, long time.

★ ★ ★

The most torrid romantic sequence between Ida Lupino and Dane Clark for Warner Bros.' drama, "Deep Valley," was filmed beside a forest pool on an early morning in midwinter, with 20 huge electric heaters beamed on the romancers to keep their teeth from chattering and spoiling the sequence!
